

# LTA CODE OF CONDUCT

Rocket Padel - creating a safe, respectful and welcoming environment

Rocket Padel supports the **LTA Code of Conduct**, which sets the standards of behaviour expected from everyone participating in tennis and padel - including players, parents, coaches, officials and volunteers.

## Everyone at our venues is expected to:

- Help create a **safe, inclusive, accessible, welcoming and enjoyable** environment, on and off court.
- Treat other players, staff, coaches, officials and venue users **fairly and with respect**.
- Behave in a **professional, appropriate and sporting** manner.
- Never engage in **verbal, physical or emotional abuse**, threatening, intimidating, harassing or deliberately provocative behaviour.
- Value diversity and **not discriminate** against others.
- Take responsibility for their own actions and **not condone behaviour** that breaches the Code.
- Help protect the **safety and welfare of children and adults at risk** and report safeguarding concerns appropriately.

### **Respect the Court. Respect the Game. Respect Each Other.**

Our team may intervene where behaviour falls below these standards and will escalate safeguarding concerns in line with our safeguarding procedures.
